

Introducing the new
GEOLANDAR
A/T G015

Bold Off-Road Attitude

The newest addition to the GEOLANDAR family. This all-terrain tire is designed with traction and grip in mind. Its outstanding off-road and on-road handling, combined with its longer mileage capability makes this tire a true performer. The 3-peaked mountain snowflake symbol ensures that the new A/T G015 is capable of handling extreme and diverse weather conditions.

Yokohama. Take the lead.

THE IDEAL FUSION OF TECHNOLOGY & PERFORMANCE

Large Tread Blocks - LT Metric

Provides more stability at highway speeds and enhanced handling with less noise.

Optimized Carcass Casing Construction with Hexagon Thick Steel Bead (Load Range E)

Handles heavy loads at highway speeds and delivers outstanding durability.

Optimized Lug Groove

Works in tandem with Variable Angled Lateral Grooves to improve lateral stability and help prevent sliding while cornering.

3-D Shaped Sipes

Maintains tread block rigidity for improved tire wear and excellent all-weather traction.

Aggressive Sidewall Protector

Fights off sidewall cuts and abrasions while increasing off-road bite.

U.T.Q.G Rating: 600-A-B

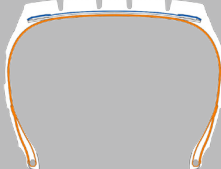

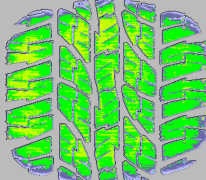

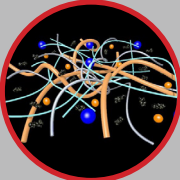

P/ISO Sizes

LT Sizes

COMBAT DIVERSE WEATHER CONDITIONS		SNOW AND WATER EVACUATION		BETTER MILEAGE, TRACTION & DURABILITY		OFF ROAD TRACTION & EVEN WEAR		LONG TREADWEAR & HIGH DURABILITY	
									
3-PEAKED MOUNTAIN SNOWFLAKE RATING		4 MAIN GROOVES		NYLON FULL COVER & WIDE TREAD PROFILE		OPTIMIZED CONTACT SHAPE		TRIPLE POLYMER TREAD COMPOUND	
Meets snow traction requirements, delivering excellent performance in diverse weather conditions.		Provide excellent drainage to combat hydroplaning and deliver better wet braking.		Advanced construction with a full nylon cover improves tread area durability while the wide profile delivers better mileage and traction.		Optimized contact shape of center area for even wear of the shoulder lug area and better off road traction.		Combines Silica and Orange Oil to deliver longer mileage and higher traction while providing strong cut & chipping resistance.
