ALL-NEW 2019 RAM 1500 SPORT: EXCLUSIVE TO CANADA

The all-new 2019 Ram 1500 Sport is exclusive to the Canadian market and offers a distinctively sporty look. The monochromatic exterior design includes a body-colour grille, door handles and mirrors and all-Black badging. Add to that dual Black exhaust tips, an available sport performance hood, and available 22-inch Black-accented wheels, and you have unique package that is guaranteed to turn heads.

The exclusive all-black Sport-themed interior is surrounded by premium design and creature comforts. Opt for the unique standard front heated Premium Cloth/Vinyl bucket seats with 'hex' insert, or step up to the leather-faced heated and ventilated front bucket seats. Standard equipment includes Light Black Satin Chrome finishes, a dynamic Black headliner, new reconfigurable centre console with space for a 15-inch laptop, 7-inch in-cluster display with "Sport" splash screen, diesel grey accent stitching, and more, setting the Sport apart from the rest of the Ram 1500 lineup,

Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (June 2017). Some of the equipment shown or described throughout this document is available at extra cost. 1. Based on IHSMarket Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light Duty and Medium/Heavy Duty Trucks with a V8 engine. 2. Based on Automotive News full-size pickup segmentation. 2016 EnerGuide highway fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 11.3 L/100 km (25 mpg) city and 8.0 L/100 km (35 mpg) highway on Ram 1500 Quad Cab 4x2 HFE model with 3.0L EcoDiesel V6 and 8-speed automatic. 3. Based on IHSMarket Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light Duty and Medium/Heavy Duty Trucks. 4. Based on Automotive News Full-size Pickup segmentation. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. 7. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 8. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 11. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 12. All SiriusXM Guardian™-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect® and SiriusXM Guardian Terms of Service for complete service limitations.
